

The 13th Annual International Conference on Industrial Engineering Theory, Applications & Practice
September 7- 10, 2008
Las Vegas, Nevada
Conferencec Webpage: <http://www.ijiengr.org>

The 13th Annual International Conference on Industrial Engineering Theory, Applications, and Practice will be held September 7th through September 10th at the *Platinum Hotel and Spa* in Las Vegas, Nevada.

Aim and Scope

The Conference is established to disseminate significant research results, technical and methodological applications, case studies, and surveys concerned with Industrial Engineering. The Conference is intended to bring together, in one place, developments in Industrial Engineering of interest to both researchers and practitioners.

Call for Contributed Papers

Interested Authors should submit a 350-word abstract in English by **May 23, 2008** to IJIE Secretariat, at IJIE@jfa-inc.com. Please include 3 to 6 keywords with your abstract to aid in the review process. All abstracts will be reviewed by the International Advisory Committee. Notification of acceptance of abstracts will be e-mailed by **June 9, 2008**. Full paper in electronic format will be due by **July 9, 2008**.

Name

Dr. Jeffrey Fernandez	Conference Co-Chair
Dr. Jeffrey Schamburg	Conference Co-Chair
Dr. Tom Anderson	Program Co-Chair
Dr. Anil Kumar	Program Co-Chair
Dr. Paul Evangelista	Arrangement Co-Chair
Dr. Anand Subramanian	Arrangement Co-Chair

E-mail

jf@jfa-inc.com
jeffrey-schamburg@us.army.mil
tsanders@nps.edu
anilk@jfa-inc.com
paul.evangelista@usma.edu
anands@jfa-inc.com

Topics of Interest

The conference emphasizes the use of engineering design and analysis and would strive to maintain a balance between research and application. The conference will cover:

- Applied Operations Research
- Quality Engineering
- CAD/CAM
- Manufacturing Systems
- Manufacturing Automation
- Industrial Automation
- Information Systems
- Production Systems Design, Planning and Control
- System Simulation
- Artificial Intelligence in Industrial Engineering
- Human Resource Management
- Safety Management
- System Engineering and Management
- Service System and Management
- Manufacturing Management
- Total Quality Management
- Project Management
- Technology Management
- Productivity and Business Strategies
- Human Factors
- Industrial Ergonomics and Safety
- Facilities Design and Location
- Work Measurement and Methods Engineering
- Other Topics of Interest in Industrial Engineering

Conference Proceedings

All submitted articles will be published in the conference proceedings in CD-format, which will be available at the conference. The conference program with brief abstract for each article will be available before and at the conference. Revised and expanded version of selected papers presented at the conference will be considered for publication in the International Journal of Industrial Engineering- Theory, Applications and Practice, Journal of Industrial Engineering Design, and other journals.

Student Paper Award

Interested students are encouraged to submit their abstracts with a cover letter indicating their interests in the student paper award, letter from advisor/professor indicating contribution towards the research, and proof of student status (undergraduate or graduate) to a Conference Chair by June 9, 2008. Prizes will be given to the best three student papers.
